OUR MISSION:

The mission of the Leadership Fort Wayne organization is to train, prepare and inspire individuals to positively impact the community through meaningful engagement.

LFW'S CORE VALUE:

The core value of Leadership Fort Wayne is *servant leadership*. The term Servant Leadership was coined in 1970 by Robert K. Greenleaf in his essay, "The Servant as Leader." Greenleaf's emphasis was on a leadership model which puts serving others - family, friends, employees, customers, community - as the number one priority. Servant leaders: Let go of ego/Become good followers first/Build positive relationships/See things through the eyes of their followers/Work "with" others/Believe in others/Keep their eyes on high goals/Have a sense of humor/Give power away/Build community.

PROGRAMS:

Leadership Fort Wayne achieves its mission through five programs: Leadership Fort Wayne (LFW), Northeast Indiana Nonprofit Alliance (NINA), Youth Leadership Fort Wayne (YLFW), Leadership Exploration and Development (LEAD), and Youth as Resources (YAR).

We want to thank our LFW Corporate Sponsors:
