Servant Leaders in Action

## Leadership Legacies

Volume I, Issue 5, Nov. 2009

This year we have observed a new phenomenon, probably due to the fact that Leadership Fort Wayne is now entering the 27th year for its adult community leadership class and the 17th year for its youth leadership class.

We are calling this new phenomenon "leadership legacies" and it refers to the fact that we now have two sons and one daughter of LFW alumni in our current adult class and we have three youth in the current YLFW class who have a parent who is a graduate or current LFW class member and they also have siblings who were in prior YLFW classes.

These are truly Leadership Legacy Families. These families are listed below, but we know there may be others, so if you are part of a Leadership Fort Wayne Legacy Family, please let us know. We want to commend these families for their commitment to community leadership!
